Do You Have a High Net Worth?

HIS Private Client Services division was created to accommodate the unique needs of our distinct clientele. We provide a personalized approach to a customize niche market that is rapidly becoming the norm.

Private Client Services provides insurance solutions for clients looking for coverage above and beyond the standard the industry provides.

We know our customers want the broadest coverage to protect their assets which include:

- High-Valued Homes or Condos
- High-Valued Vehicles
- Valuable property such as Jewelry, Fine Art or Collectibles
- Yachts
- Planes

We are here to provide you with the peace of mind by helping you protect the assets you have amassed.

Unlike other insurance brokers, we are able to customize your insurance portfolio to meet your exact needs. In addition, we provide exclusive risk management options that help prevent disasters from happening. The unexpected happens which we cannot control. Our job is to help prepare our clients from those incidents and help minimize the impact it has.
